**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thank god for providers like Sonic, who gave me an alternative to the garbage customer service and product offering from Comcast. I now have 100x faster internet for \$30/month CHEAPER! That's what competition gets you.

We need more competition!

Garbage broadband from monopoly providers are not ok.

DO YOUR JOB OR WE'LL VOTE YOU OUT.

The internet is the future of our economy, and critical to my own livelihood. It's time for you to act.
